University of Northern Colorado [*B.A. Elementary Education*]
Western State Colorado University [*B.A. Elementary Education, CLD emphasis*]

INTRODUCTION

A statewide transfer articulation agreement identifies the community college courses students need to take in order to graduate from a community college with a 60-credit Associate of Arts (AA) or Associate of Science (AS) degree with designation (DwD). Students are responsible for informing the admissions counselor or intake advisor at their receiving four-year institution that they are completing a DwD.

It is important for students to understand that completion of an AA or AS degree within two years requires them to complete an average of 15 credits per semester (or 30 credits per year). Also, research shows that students who take classes in their major area within their first 30 credit hours are more likely to persist and graduate.

The guarantees and limitations below describe the minimum requirements to which all participating institutions have agreed. Students who believe an institution is not meeting the guarantees described below can file a complaint at <http://highered.colorado.gov/Academics/Complaints/>.

PART ONE: GUARANTEES

Students who complete a DwD pursuant to the prescribed curriculum in this statewide transfer articulation agreement **and** pass all 60 credits with a C- or higher **and** are admitted to the receiving institution's corresponding degree program (see cover page) are guaranteed the following:

1. Junior standing with no more than 66 remaining credits to meet the graduation requirements for the baccalaureate degree program covered by this articulation agreement (see cover page).
2. Completion of the receiving institution's lower division general education requirements as defined by the GT Pathways curriculum.
3. The same graduation requirements as students who begin and complete this degree program at the four-year institution.
4. Beginning fall 2019, admission to all Colorado public baccalaureate awarding institutions (*except* Colorado School of Mines) will be guaranteed to applicants who have completed any AA or AS degree from a Colorado public two-year institution after high school graduation, provided certain requirements are met. To see these requirements, please refer to the Colorado Commission on Higher Education's Admissions Standards Policy (effective for students seeking admission for fall 2019 and after), Section titled "Guaranteed Transfer Admissions" at <https://highered.colorado.gov/Publications/Policies/Current/i-partf-fall-2019.pdf>. Please note: Students transferring to a University of Colorado institution (Boulder, Colorado Springs, Denver) must satisfy the CU System's MAPS (Minimum Academic Preparation Standards) requirement.
5. Per the Commission's Prior Learning Assessment policy, section 2.07 (see <https://highered.colorado.gov/Publications/Policies/Current/i-partx.pdf>), and pursuant to

Colorado Revised Statutes §23-1-108 (7)(b)(II)(A), “a state institution of higher education that admits as a junior a student who holds an associate of arts degree, associate of applied science degree, or associate of science degree that is the subject of a statewide degree transfer agreement shall not require the student to complete any additional courses to fulfill general education requirements”, and that the receiving institution of higher education is responsible for the total cost of tuition “for any credit hours that exceed the total credit hours required for a native student or that extend the total time to receive the degree beyond that required for a native student”.

6. The Commission’s Prior Learning Assessment policy also states “every Colorado public institution of higher education shall accept in transfer from within the institution and from other state institutions of higher education prior learning assessment credit awarded for GT Pathways requirements” (section 3.01), and “Colorado public institutions of higher education shall not prohibit students from meeting general education/GT Pathways requirements with prior learning assessment credit“ (section 3.02).

PART TWO: LIMITATIONS

1. Until the Commission’s new Admissions Policy takes effect fall 2019, completion of the prescribed curriculum in this statewide transfer articulation agreement does not guarantee admission to a participating receiving institution. Students must meet all admission and application requirements at the receiving institution including the submission of all required documentation by stated deadlines.
2. Only courses with grades of C- or higher are guaranteed to transfer.
3. Admission to a receiving institution does not guarantee enrollment in a specific degree program. Some programs at receiving institutions have controlled entry due either to space limitations or academic requirements.
4. The credit and course transfer guarantees described in this agreement apply to the specific degree programs covered by this agreement (see cover page). If the student changes majors, receiving institutions will evaluate application of the courses designated in this agreement to other degree programs on a course-by-course basis.
5. Students are allowed to use credits awarded by exam, such as AP (Advanced Placement) and IB (International Baccalaureate), as long as those exams are listed on the exam tables here: <https://highered.colorado.gov/Academics/Transfers/GetCredit.html>, or may use challenge exams to fulfill GT Pathways requirements (not necessarily major requirements) and those credits are guaranteed to transfer and apply to GT Pathways requirements at the receiving institution per the Colorado Commission on Higher Education’s Policy I, X: Prior Learning Assessment. See the entire policy for more information: <https://highered.colorado.gov/Publications/Policies/Current/i-partx.pdf>.

6. The receiving institution shall accept all applicable credits earned within ten years of transfer to the receiving institution. Credits earned more than ten years earlier will be evaluated on a course-by-course basis.

7. All the courses a student needs to take in the associate degree program covered by this statewide transfer articulation agreement are listed in the prescribed curriculum. Course substitutions are allowed as long as the student and sending and receiving institutions agree to the substitution; such agreement should be documented in writing and the student should keep a copy until the baccalaureate degree is conferred. Note that if students substitute a course, then this is no longer a statewide agreement and some of the guarantees are only for the receiving institution that agreed to the substitution. **Any additional courses taken in the discipline covered by this agreement might not count toward the requirements of the major at the receiving institution.** Students can avoid this problem by either taking no more courses in the discipline than the ones identified in the prescribed curriculum or by consulting first with the receiving institution to assure that any additional courses they take in the discipline will count toward the major.

Because of the limitations above, students must consult with the Office of Admissions at the institution to which they are transferring.

PART THREE: PRESCRIBED CURRICULUM

Courses that Fulfill General Education Requirements			32
	Credit Hours	Community College Course No.	Course Title or Category
Written Communication	6	ENG 121 ¹ ENG 122	English Composition I (GT-CO1) English Composition II (GT-CO2)
Mathematics	6	MAT 155 MAT 156 ²	Integrated Math I (not GT Pathways approved) Integrated Math II (not GT Pathways approved)
Arts & Humanities	3	LIT 115 or LIT 201 or LIT 202 or LIT 211 or LIT 221	Introduction to Literature (GT-AH2) or Masterpieces of Literature I (GT-AH2) or Masterpieces of Literature II (GT-AH2) or Survey of American Lit I (GT-AH2) or Survey of British Literature I (GT-AH2)

¹ Some educator preparation programs require a B- in ENG 121 as an admission requirement. However, a C- or better meets the general education GT-CO1 requirement.

² Completion of MAT 155 & 156 with a C- or higher will satisfy the GT Pathways math requirement at some institutions but not all. At the receiving institution's discretion, students may be asked to complete a GT-MA1 approved course.

History	3	HIST 121	U.S. History to Reconstruction (GT-HI1)
Social & Behavioral Sciences	6	GEO 105 POS 111	World Regional Geography (GT-SS2) American Government (GT-SS1)
Natural & Physical Sciences	8	SCI 155 SCI 156 ³	Integrated Science I w/Lab (GT-SC1) Integrated Science II w/Lab (GT-SC1)
Additional Required Courses			9
Please note: if these credits are <i>not</i> required for the <i>major</i> at a receiving 4-year institution, they will be applied to the Bachelor's degree as <i>elective credit</i> towards <i>graduation</i> . Please check with the receiving institution to determine in which way these courses will be applied.			
	Credit Hours	Community College Course No.	Course Title
	3	COM 115	Public Speaking
	3	EDU 221	Introduction to Education
	3	PSY 238	Child Development
Electives: Nineteen credits determined by the receiving four-year institution. See below.			19
Total			60

³ Students must pass with a C- or higher BOTH SCI 155 & 156 to satisfy the GT Pathways science requirement.

Qualifying Courses that Satisfy “Other 19” Credit Hours by Institution

Addendum to Agreement

Students who do not complete an AA/AS degree can use the prescribed curriculum in a statewide transfer articulation agreement as a common advising guide for transfer to all public institutions that offer the designated bachelor's degree program.

Please note the following:

1. Students are guaranteed application of general education courses completed with a C- or higher in the prescribed curriculum in this agreement up to the established maximum in each GT Pathways content area.
2. Except in special cases (e.g., the partial completion of a required sequence of courses or variation in the number of credit hours institutions award for course equivalents), students can expect that courses specified within the prescribed curriculum in this agreement, successfully completed with a C- or higher, will fulfill the relevant course requirements in the designated major.
3. Receiving institutions will evaluate all courses other than those specified in this agreement on a course-by-course basis.

Students transferring without a completed AA/AS degree must consult with the Office of Admissions at the institution to which they are transferring to review the issues identified above, and to make sure they meet all admission and application requirements at the receiving institution, including the submission of all required documentation by stated deadlines.

This agreement will remain in force until such time as it is formally modified or terminated.

The Chief Executive Officers/Presidents/Chancellors and Chief Academic Officers for all participating institutions, as listed on the cover page, have signed this agreement. Signatures are on file in the Division of Academic Affairs at the Colorado Department of Higher Education.

HISTORY OF REVISIONS TO AGREEMENT:

- 2015-08-07– Approved by CCHE.
- 2016-05-10 – Revisions to 19 Qualifying Course List.
- 2016-08 – Cover page revised: added only CCs who are participating and degree titles; some formatting adjustments. Added UCB's new ELED degree.
- 2016-12 – Formatting edits made.
- 2017-01 – Formatting changes made to cover page; added updated Addendum to Agreement section.
- 2017-01-11 – Added Lamar Community College to cover page.
- 2017-03 Revisions made to Introduction, Guarantees, and Limitation sections.
- 2017-03 MSUD removed Human Development.
- 2017-07 MSUD course updates.
- 2017-09 ASU course updates.
- 2017-12 Adjusted guarantees section.
- 2018-03 Removed CU-Denver B.A. Individually Structured Major, Elementary Education emphasis.
- 2018-08 CU-Denver course updates.
- 2018-12 – Revisions made to Introduction and Limitations sections. Paragraphs 5 & 6 added to Guarantees section to reflect changes made to CCHE Prior Learning Assessment policy.
