

Second Annual Transfer Pathways Summit

Friday 2 October 2020

Hello Colleagues!

We are thrilled you will be able to join us for the Second Annual Transfer Pathways Summit between the University of Utah and Slat Lake Community College. As we prepare for this celebration of our efforts, we would like to share a few links you may find helpful today and in the future.

- SLCC ⇒ UofU Transfer Pathway Website (homepage): <https://ugs.utah.edu/faculty-resources/transfer-pathways/>
 - If you have colleagues who have not registered for our Summit, they can register using the red “Register Now” button on this page.
 - The link for the Zoom meeting will be available on this page also.
 - We will be recording this event for those who cannot join us on October 2nd. We will post the link to that recording on the UGS website.

About 1/3 of USHE Undergraduates are Transfer Students

Excludes: Concurrent Enrollment students, continuing education students, graduate students, non matriculated students

“Transfer credit” is credit from other institutions (not necessarily USHE). Includes credits taken through Concurrent Enrollment but excludes credits for AP and CLEP.

Undergraduate Transfer Enrollment by USHE Institution

Nationwide

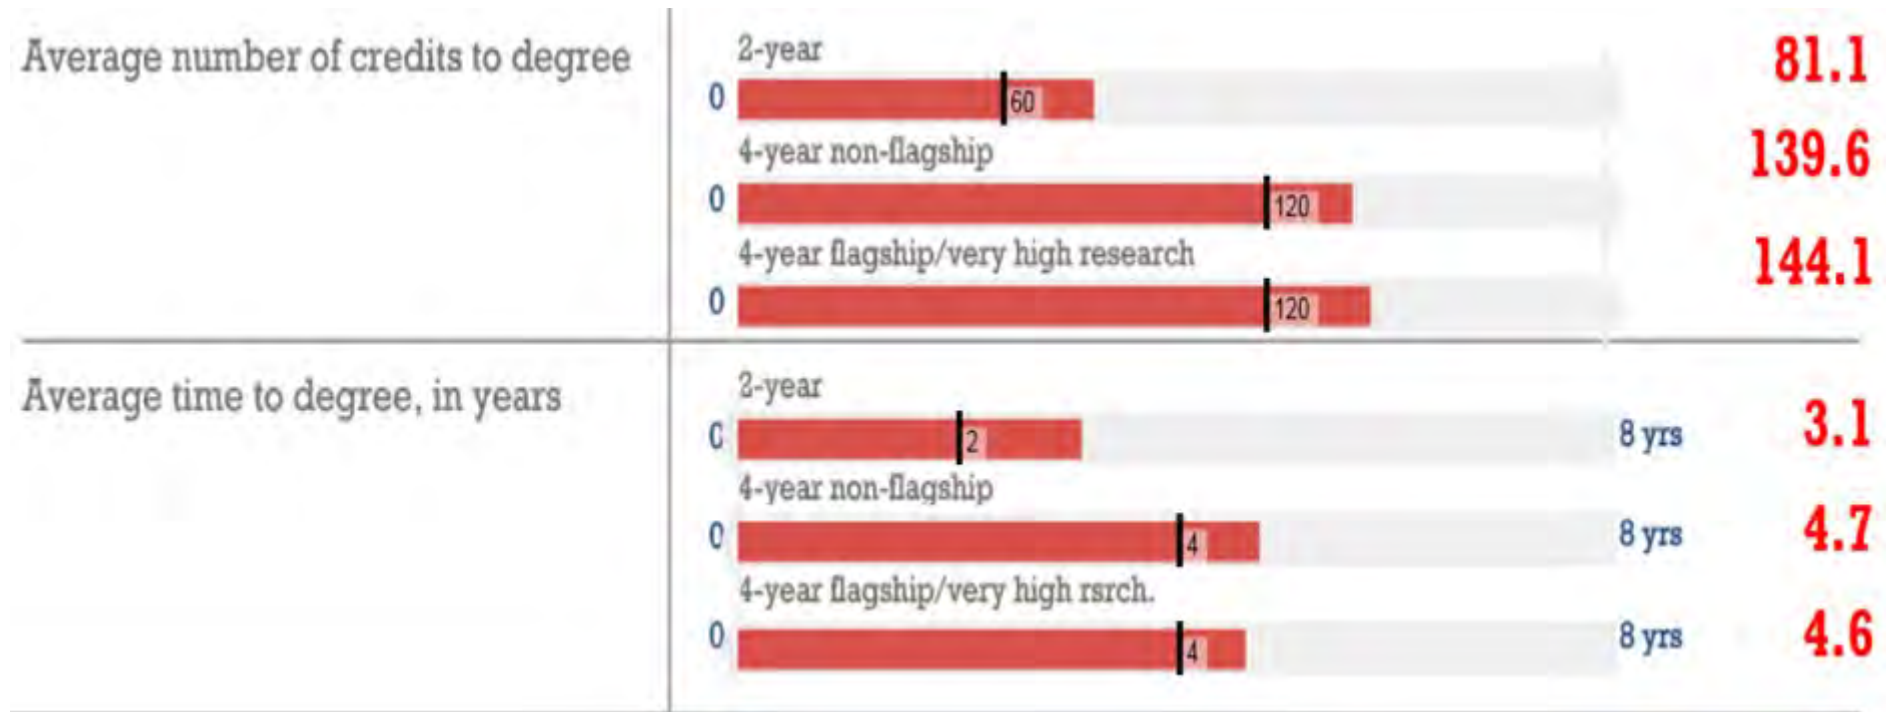

- 85% of CC students intend to earn a bachelor's degree
- 35% actually transfer
- 15% complete

For Associate and Bachelor Degree Recipients, only 21.1% of students complete their initially intended degree at the entry institution.

Table 5 - Percent completers of initial intent at institution at entry

Same Institution	Same Major (CIP)	Same Award Level		Grand Total
		No	Yes	
NO	NO	23.5%	4.2%	27.7%
	YES	3.8%	2.3%	6.1%
YES	NO	20.1%	18.4%	38.6%
	YES	6.6%	21.1%	27.7%
Grand Total		54.0%	46.0%	100.0%

Students graduate with excess credits

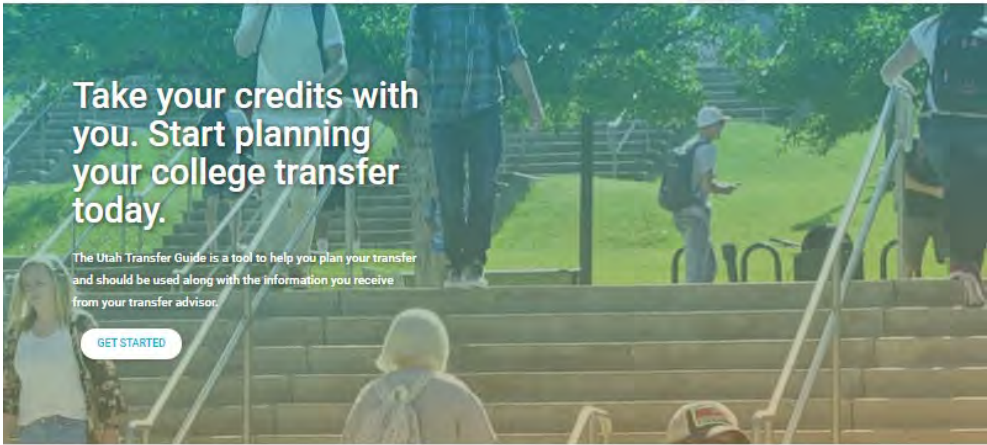

Equity issue

- Low income students, students of color, first generation students more likely to start at a community college. Streamlining transfer is important for retaining them and helping them complete.
- Adult reengagement: high numbers of adults with some college no degree. We need to address barriers to returning and completing quickly.

Transfer Resources

Keep in mind, the process for transferring out of one college or university and into another varies at each one. Make sure you are working with both an advisor at your current college or university and an advisor at the college or university you are planning to transfer to.

Transfer Check

The screenshot shows the Utah Transfer Guide website. The main header includes the site name and navigation links. The page title is 'Transfer Check', and the 'Results' tab is selected. A table lists three institutions with their respective programs and years, along with the number of credits transferred. A 'PREVIOUS' button is visible at the bottom right of the main content area. The footer contains the Utah System of Higher Education logo, a navigation menu, and quick links for course and program searches.
