

Program-Specific Articulation Agreement

Salt Lake Community College | David Eccles School of Business, University of Utah

This articulation agreement summarizes the understanding between the School of Business at Salt Lake Community College (SLCC) and the David Eccles School of Business at University of Utah (ECCLES). It provides for credit transfers between SLCC and ECCLES, and culminates in the award of a bachelor's of science degree in Operations Management at the University of Utah.

This agreement clarifies transfer policies, including admissions and student status, and offers SLCC students in the AS Business program a clear pathway to completing an Associate's degree at SLCC and transferring to ECCLES as a matriculated, upper division student pursuing a Bachelor's degree in the Operations Management Major only.

Terms of the agreement are as follows:

- Admission to the Operations Management program is contingent upon acceptance to the University of Utah and the David Eccles School of Business.
- Prior to transfer, SLCC students earn the Associate of Science (AS) in Business by satisfactorily completing the courses listed in the catalog and specified in this agreement with a 3.3 cumulative GPA. (Note that students with an overall GPA between 3.0 and below 3.3 will be individually considered for admission on a case-by-case basis.)
- SLCC students must complete two of the following three courses with a B or higher to indicate competency in the Operations & Supply Chain area:
 - MGT 2120 – Data Visualization Techniques
 - MGT 2130- Survey of Business Analytics/Business Intelligence
 - MGT 1020- Distribution Systems
- SLCC students must complete the University of Utah New Transfer Orientation and meet with an ECCLES advisor. Matriculated, upper division status will be granted to AS Business graduates from SLCC who meet the academic performance standards presented above.
- SLCC students must meet program-specific admission and graduation criteria as outlined in the SLCC and ECCLES academic catalogs and specified in this agreement.
- SLCC students should seek early advisement at both SLCC and ECCLES to ensure proper sequencing of courses and efficient time to degree completion.
- This agreement will be reviewed as necessary, with renewal contingent on the outcome of the reviews.
- This agreement will remain in effect unless terminated in writing by either institution.
