

Chemical Engineering Articulation Agreement

University of Utah College of Engineering | Salt Lake Community College

This Agreement (the "Agreement") is entered into as of the last signature date below by and between Salt Lake Community College, a body politic and corporate of the State of Utah and a public institution of higher education and the Chemical Engineering Department at the University of Utah, a body politic and corporate of the State of Utah and a public institution of higher education. The purpose of this Agreement is to articulate the terms of collaboration between the Chemical Engineering Department at the University of Utah (UU) and Salt Lake Community College (SLCC) that will begin July 1, 2019, all as more specifically described herein.

The Chemical Engineering Department at the University of Utah and the Engineering Department in the School of Science, Mathematics and Engineering at SLCC agree to the articulation of transfer credit as outlined in this agreement.

The following courses agreed upon to articulate:

Salt Lake Community College Courses	University of Utah Courses
CHE 1040 Engineering w/ Python, Excel & VBA (3) or ENGR 1040 Engineering Computing (3),	CH EN 1703 Intro to Chemical Engineering (2)
CHE 2300 Thermodynamics (2), ENGR 2300 Thermodynamics (2)	CH EN 2300 Thermodynamics I (2)
CHE 2450 Numerical Methods with Python (3) or ENGR 2450 Numerical Methods (3)	CH EN 2450 Numerical Methods (3)
CHE 2800 Fundamentals of Process Engineering (3)	CH EN 2800 Fundamentals of Process Engineering (3)

This agreement will be reviewed annually. Renewal will be contingent on the outcome of these reviews. This agreement will remain in effect unless terminated in writing by either institution.

Liability

Both Salt Lake Community College and the University of Utah are governmental entities under the Governmental Immunity Act, §63G-7-101 to -904 (2011), as amended (the "Act"). Notwithstanding any provision to the contrary herein, there are no indemnity obligations between these parties. Subject to and consistent with the terms of the Act, each party shall be liable only for its own negligent acts or omissions or those of its employees, officers, and agents while engaged in the performance of the obligations under this Agreement, and neither party shall have any liability whatsoever for any negligent act or omission of the other party, its employees, officers, or agents. Neither party waives any defenses or limits of liability available under the Act and other

applicable law. Each party carries insurance through the State Risk Manager of the State of Utah up to the limits required by the State Risk Manager of the State of Utah and applicable law. Nothing in this Agreement shall require either party to carry different or additional insurance. It is not the intent of either party to incur by contract any liability for the operations, acts, or omissions of the other party or any third party and nothing in this Agreement shall be so interpreted or construed. In the event of any conflict, inconsistency, or discrepancy between the provisions of this paragraph and any other provisions of this Agreement, the provisions of this paragraph of the Agreement shall govern.
